OSAN GROUP · أوسان

Brand Style Sheet

Core rules for logo, colour, type and tone, taken from the Osan Group logo and 2026 company profile.

Version 1.0
November 2026

01 · LOGO

Primary logo. Arabic calligraphic wordmark with the blue vertical blades, the OSAN Latin wordmark with its blue dot, a blue rule and “GROUP” beneath. Always use the lockup together.

Clear space. Keep a margin equal to the height of the “O” in OSAN on all four sides.

Minimum size. 120 px wide on screen, 30 mm in print.

Backgrounds. Use on white or light grey (#F7F7F7). The supplied file is a JPEG; request a transparent SVG or PNG and a white reversed version for use on blue or photos.

Do not stretch, rotate, recolour, add shadows or outlines, rearrange the elements, or place on busy imagery.

02 · COLOUR

Osan Blue
#2473AB · RGB 36 115 171
Primary. Buttons, links, key shapes.

Osan Grey
#595959 · RGB 89 89 89
Primary. Headlines, wordmark, body text.

Light Grey
#F7F7F7
Page and panel ground.

Deep Blue
#1B5683 · hover, dark panels

Sky Tint
#E4EEF6 · highlights, cards

Ink
#2B2B2B · footers, dark mode

Company accents
Each company keeps its own colour on its own pages (Maisarah maroon, Nameer dark green, Omca burgundy, Osan Studio navy and orange, Osbic light blue). Osan Blue and Grey stay in the header and footer to tie them together. Deep Blue, Sky Tint and Ink are derived extensions; confirm exact company hex values.

Accessibility: white on Osan Blue and Osan Grey on Light Grey both pass 4.5:1. Never put Osan Blue text on Osan Grey.

03 · TYPOGRAPHY

LATIN · MONTSERRAT (headings), POPPINS MEDIUM (support)

Integrated solutions

Section heading, Bold 20/28

Body copy, Regular 16/26. Osan Group was founded in 2016 as an Omani company with an ambitious vision.

ARABIC · MADANI ARABIC (preview shown in Tajawal)

حلول متكاملة

عنوان فرعي، خط عريض

أن تكون مجموعة أوسان الخيار الأول والرائد في تقديم الحلول والخدمات المتكاملة في سلطنة عُمان.

Fonts are those embedded in the company profile. Arabic is the lead language; always provide Arabic and English versions, with right-to-left layout for Arabic pages. Use Bold for headings, Medium for body, Light for captions.

04 · SHAPE & COMPONENTS

Signature shape. The profile uses panels with one large rounded corner and a slanted edge, plus a soft blue accent block behind. Use a 40–96 px radius on one corner only; keep the other corners at 8 px.

Photography. Real Omani offices, buildings and teams. Natural light, no stock handshakes.

Icons. Thin single-line icons in Osan Blue or the company colour.
